

Income Tax Return Payment

M60

IMPORTANT: Type in the required information while this form is on the screen and print a copy. A personalized scan line will be printed on the voucher using the information you entered. To help ensure your payment is properly credited to your account, verify that the tax-year end date and your Social Security number are included in the scan line.

When you print this voucher, be sure to set the Page Scaling to “None” in your Print options. **DO NOT** check the “Auto-rotate and center pages” or “Shrink to fit” boxes. If they are already checked, click on the box to uncheck them.

Pay electronically

- Go to www.taxes.state.mn.us and click “Login to e-File Minnesota” on the e-Services menu.
- If you don’t have Internet access, call 1-800-570-3329 to pay by phone.

For both methods, follow the prompts for an individual to make an income tax return payment. You’ll need your Social Security number, date of birth, your spouse’s Social Security number and date of birth (if filing a joint return), and your banking information. You must use an account that is not associated with any foreign banks.

After you authorize the payment, you’ll receive a confirmation number. You can cancel a payment up to one business day before the scheduled payment date, if needed.

Pay by credit card

- Go to officialpayments.com, or
- Call 1-800-272-9829.

You will be charged a fee to use this service, which goes directly to Official Payments Corporation (a national company that partners with federal, state and local governments to provide credit card payment services). The Department of Revenue does not have any financial agreement with Official Payments and does not receive any of its fees.

Pay by check

If you pay by check, you must include a payment voucher to help ensure your payment is properly credited to your account.

Complete the voucher below and mail it with your check. All information is required to process your payment, including your Social Security number and tax-year end date.

When you pay by check, your check authorizes us to make a one-time electronic fund transfer from your account, and you may not receive your canceled check.
